COVID-19:

Condition d'entrée à Dubaï / Einreisebestimmungen für Dubai :

Requirements

Passengers travelling to Dubai from all countries, including the Gulf Cooperation Council countries (GCC), must fulfil one of the below requirements at the airport of departure:

- present a valid COVID-19 vaccination certificate, reflecting that the passenger is fully vaccinated with a vaccine approved by the [World Health Organisation](#) (WHO) or the [UAE](#). The certificate must contain a QR code.
- present a valid negative COVID-19 test certificate that should be based on a molecular diagnostic test intended for the qualitative detection of nucleic acid for SARS-COV-2 viral RNA. The certificate must be issued within 48 hours from the time of sample collection by an approved health service provider and must contain a QR code.
- present a valid medical certificate from the relevant authorities that the passenger has recovered from the novel coronavirus COVID-19, issued within one month before the date of arrival. The certificate must contain a QR code.

Informations Générales Covid / Allgemeine Informationen Covid**Junior & Cadet World Championship Dubai 2022 –
Covid-19 control protocol and Crisis Management plan.****General principles, airport, hotel**

1. The instructions, and procedures issued in the General Principles for the Reopening of Services and Entertainments Facilities during the Coexistence Period with COVID19 shall be followed <https://www.dha.gov.ae/en/Covid19/Pages/Coronavirus.aspx>
2. All organizers, staff or workers, has to do test and ensure all teams, employees, workers during the competition are covid-19 free.
3. Test will be done free of charge in Dubai Airport upon arrival aer the passport control for all Guests including (players, coaches, technical and administrative members, assistants).
4. All participants should stay at their accommodation until they receive negative results by message (SMS) or by ALHOSN App.
5. People who will receive negative results will be asked to go for receiving there bracelet in the hotel.
6. ALHOSN App will ask for the Unified ID which can be found on your entry stamp or last page of your passport and you can ask the immigration desk at the Airport.
7. We recommend all participants to install ALHOSN App and print your results <https://www.alhosnapp.ae/en/home>
8. Participants who got covid-19 vaccine are not excluded from test.

Preventative procedures during the competition

1. face mask and hand sanitizing is a must.
2. All facilities will sterilize before opening every day and during the event days.
3. All players must keep face mask as long as

they are not in competition time.

4. All participants should maintain healthy behavior such as washing hands regularly.
5. Health control team will be observing and managing the prevention procedures during the event.
6. Referees must wear a face shield/visor in addition to facemask, when performing a weapon test either before or during a bout. No relevant rule.
7. In case of injury only doctor as well as medical staff of the competition and their team members can approach the injured fencer and they must wear facemasks, gloves and a face shield/visor.
8. Facemasks: Fencers are exempted from wearing a face mask during the rest periods. During rest periods, all people in the fencing piste area will have to maintain a distance of 1.5 meter from the fencer(s). Coaches are allowed to stay at 1 meter from the fencer but will have to wear a face shield/visor in addition to the facemask.
9. During the stay (every 4 days after arrival day) one rapid test will be conducted for all participants. (The rapid test used will be WHO approved). Result expected in max 15 minutes.
10. Only who receive a negative result of the rapid test will be allowed to enter training and competition
11. After each test people will receive a bracelet to facilitate the visual control.
12. The FIE outline for risk mitigation is compulsory and it will be applied:
13. https://static.fie.org/uploads/25/128849-FIE_outline_risk-mitig_Covid-19_September%202021_ang.pdf
