Règles Covid de la compétition/ Covid-Regel Wettbewerb**1. SANITARY FACEMASK**

Sanitary facemask is compulsory, except when fencing, training and eating/drinking.

2. COVID-10 RAPID ANTIGEN TEST (RAT)

According to the FIE FORMIR, each participant must undergo one Covid-19 Rapid Antigen Test (RAT) upon arrival, valid throughout the World Championships. The RATs will be organized at the official hotels of the World Championships. The RATs will be subsidized by the FIE for athletes and officials of delegations registered on the FIE website. Other participants must pay for the tests (25 Euros).

3. POSITIVE RAT

In case a RAT is positive, the tested person must immediately go to his/her room. The test result will be confirmed by a PCR test, if enough time allows it. If the PCR test returns positive, the person will move to the isolation floor. The isolation will last until the authorities lift it or after a negative PCR-test. Isolation costs are at the expense of participants.

4. ARRIVALS AND COVID-19 TESTS

All participants must plan to arrive in the host country a sufficient time in advance. Late arrivals of participants will not allow, in case of positive RAT, the follow-up PCR tests results to be obtained on time for training and competition. In such cases, participants will not be authorized to take part in the competition and will be eliminated.

The Organizing Committee is required to transmit to the local authorities the full dataset of any person tested positive.

5. IDENTIFICATION OF TESTED PERSONS:

Identification of tested persons is done via a bracelet, which is obligatory to enter accreditation, weapons' control, training venue and competition venue. Any person not wearing bracelet will be refused entry to these places.

Losing or forgetting the bracelet will require retesting for a fee of 25 Euros.

Authorities will have the right to control bracelets at any moment.

6. DEPARTURE TESTS:

Please check the requirements of your destination/airlines before you travel, such as the proof of vaccination and type/format of proof required.

If you need a departure test, you will have to make a reservation with the Organizing Committee.

Departure tests will be done at the expense of participants:
Antigen test costs 25 Euros, PCR test costs 60 Euros.
